**Next meeting:** Thursday, May 5, 2011.

**Council Process:** Everyone who lives, works, owns property, attends school, is a member of a faith organization or works in a non-profit organization that provides services within the boundaries of the East Hollywood Neighborhood Council is a "stakeholder". All stakeholders are members of the Council. Stakeholders elect a Board of Directors to represent them. This Board is recognized as the decision-making entity by the City of Los Angeles. The current Governing Board gained its official city role upon its election on March 20, 2010. While the Board is the official decision-making entity, meetings are conducted as much as possible in a town hall format. Committees are open to anyone with an interest in East Hollywood. The East Hollywood Neighborhood Council depends on the active public participation of its diverse, dynamic and unique community for its success.
